**Saints Legends Night – Friday 18 November**

From Left to Right -

Terry Benning, Steve Clark, Roy Edwards, Allan Cockram, Simon Martin and Kevin Mudd.

Although the turn out for the evening was small, a thoroughly enjoyable evening was had by both the players and supporters during a lively question and answer session, with a quiz and many anecdotes from the players about their time with the Saints.

## **Volunteers**

As with all clubs at this level of the Pyramid, volunteers are the lifeblood of the Club and this was amply demonstrated in the FA Cup tie v Carlisle United, when a number of supporters offered their services and made the whole operation run smoothly. My sincere thanks to everyone who took part.

## **New Ground**

In the brief discussions I have had with Lawrence Levy over the last few months, the option of moving to a new ground is still ongoing. We have asked for a Fans' Forum, in order that all supporters can be brought up to date with the current position. Further news will be posted once we have agreed a date.

## **Quiz Night**

Our next quiz night will be held on Friday 3 March in the Saints Bar starting at 8:00pm. This will be a music quiz with a cost is £3.00 per person and tables of up to 6 persons. Please book with me, if you would like to attend.

## **Prediction League**

The latest update to Predictions League as at 12 December -

The top 3 positions are as follows:

Jack Press 26 points  
Mick Holland 25 points  
Karina Hames 24 points

## **Bill Toyer**

It is with great sorrow that I have to inform you that Trust member and one of our most loyal supporters over many, many years Bill Toyer tragically passed away on Christmas Eve after a long illness. A minute's silence was held for Bill at Clarence Park on the pitch, prior the start of the Maidenhead Utd game on 7 January. Bill, who lived in Grange Street, was 80. One of the Cola Stand 'faithful', he will be sadly missed by all. For anyone interested in attending, Bill's funeral will take place at 10:00am, Friday 20 January at West Herts Crematorium, High Elms Lane, Watford WD25 0JS.
